# **THE UNIVERSITY**

## **MISSION STATEMENT**

Seton Hall is a major Catholic university. In a diverse and a collaborative environment it focuses on academic excellence and ethical development. Seton Hall students are prepared to be leaders in their professional and community lives in a global society and are challenged by outstanding faculty, an evolving technologically advanced setting and values-centered curricula.

As amended and approved by the Board of Regents on June 6, 1996.

## BRIEF HISTORY

Seton Hall University was founded in 1865 by Bishop James Roosevelt Bayley, the first bishop of Newark, who named it after his aunt, Mother Elizabeth Ann Seton, a pioneer in Catholic education and the first American-born saint. The University is the largest and oldest diocesan university in the United States.

Nestled on 58 acres in the suburban village of South Orange, New Jersey, Seton Hall's campus is home to seven schools: the College of Arts and Sciences, the W. Paul Stillman School of Business, the College of Education and Human Services, the College of Nursing, the School of Theology, University College, and the School of Graduate Medical Education. Seton Hall's School of Law is located in Newark.

From its original enrollment of a handful of students, Seton Hall grew rapidly. During its first 12 years, the College had enrolled over 500 freshmen from 17 states and six foreign countries. Seton Hall has always reflected the growing ethnic scope of its students and the increasing diversity of the Church and society it has served. In the 19th century, in spite of setbacks, major fires, lean times and the Civil War years, the College continued to expand. By 1937, Seton Hall established a University College. This marked the first matriculation of women at Seton Hall. The University became fully coeducational in 1968.

The years after the Second World War witnessed unprecedented growth for Seton Hall as it responded to the needs of thousands of veterans seeking higher education. The College was organized into a university in 1950, comprising the College of Arts and Sciences and the Schools of Business, Nursing and Education. The School of Law opened its doors in 1951.

The next two decades saw the construction and modernization of a large number of facilities and the construction of the library, science building, residence halls and the student center. Many new programs and majors were inaugurated, as were important social outreach efforts. New ties were established with the private and industrial sectors, and a growing partnership developed with federal and state governments in creating programs for the economically and educationally disadvantaged.

The 1970s and 1980s continued to be a time of growth and renewal. New business and nursing classroom buildings and an art center were opened. In 1984 the Immaculate Conception Seminary returned to Seton Hall, its original home until 1926, when it moved to Darlington. The Recreation Center was dedicated in 1987. With four new residence halls constructed between 1984-1988, Seton Hall now provides living space for approximately 2,000 students.

During the spring of 1994, the University completed construction of its \$20 million, four-story Walsh Library. This facility offers state-of-the-art study and research capabilities to all undergraduate and graduate students and faculty, and to scholars from around the world.

<sup>1</sup> *Note:* "Retention After 1 Yr" is the number of students still enrolled from their entering fall semester to the next fall semester. For example, in Fall 1984, 1043 freshmen entered and in Fall 1985, 859 of those students were still enrolled. A retention rate of 82.4%.

<sup>2</sup> *Note:* "Retention After 2 Yrs" is the number of students still enrolled from their entering fall semester to two fall semesters later. For example, in Fall 1984, 1043 freshmen entered and in Fall 1986, 742 of those students were still enrolled. A retention rate of 71.1%.

<sup>3</sup> *Note:* "Retention After 3 Yrs" is the number of students still enrolled from their entering fall semester to three fall semesters later. For example, in Fall 1984, 1043 freshmen entered and in Fall 1987, 707 of those students were still enrolled. A retention rate of 67.8%.

<sup>4</sup> *Note:* Attrition figures follow the same logic as the above three notes except the number of students who left without earning a degree are tracked.
